Welcome

On behalf of Sea Gulls near and far
... **WELCOME TO THE FLOCK!**

We are so excited that you have decided to call Salisbury University your home for the next few years! While the transition from high school to college can often be both exciting and scary, our students, faculty and staff are here to help you prepare to take your first flight as a Sea Gull.

We have dozens of upper-class Orientation Leaders from all backgrounds who are eager to meet you and ready to share their knowledge on how you can become part of our vibrant campus community. During our two orientation programs, Sea Gull Start-Up and First Flight, you will learn about the many academic opportunities available across campus for your major, as well as the variety of student engagement and leadership experiences offered to SU students. Following our programs, you will have immediate access to all of the resources needed for you to find success inside and outside of the classroom.

Before arriving in the fall, please take a moment to consider the Salisbury University Promise and what its principles mean to both you and those who share our campus. The Promise is a statement that all new students commit to, which highlights the University's values and expectations.

As a Salisbury University student:

I will connect what I learn to how I live.

I will demonstrate personal and academic growth.

I will respect diverse groups and individuals.

I will strive to bring honor to myself and the University.

Additionally, please review this guide and continue following your Flight Plan to fall 2023 as you approach your first semester as a Sea Gull. It is also very important to stay up to date on your Admissions status portal (gogulls.salisbury.edu/status) throughout the entire summer, as new checklist items and important information will be shared regularly. If you have any questions leading up to the fall semester, please do not hesitate to contact the Orientation, Transition and Family Programs team at orientation@salisbury.edu, as our entire staff is ready to assist!

We are so excited you have chosen Salisbury University as your new home and cannot wait to help you Make Tomorrow Yours!

Sincerely,

Joe Benyish

SU has a strong institutional commitment to diversity and nondiscrimination in all programs, events, and services. To that end, the University prohibits discrimination on the basis of sex, gender, marital status, pregnancy, race, color, ethnicity, national origin, age, disability, genetic information, religion, sexual orientation, gender identity or expression, veteran status or other legally protected characteristics. Direct all inquiries regarding the nondiscrimination policy to the Office of Institutional Equity/Title IX Coordinator, Holloway Hall 100, 410-543-6426.

Decoding Sea Gull Lingo

The Angle – the area where the physical statue of Sammy stands

Avery Lot – an area on east campus that is designed for freshman parking

Dining Commons – the main dining hall

Cool Beans Café – coffee shop

CSA – Center for Student Achievement

CSIL – Center for Student Involvement and Leadership

The Flyer – student newspaper (online and print)

FSL – Fraternity and Sorority Life

FSL Fest – week of competitive games for fraternities and sororities

GAC – Guerrieri Academic Commons/campus library

Giving Day – SU's 24 hour fundraising event with matching gifts and challenges for everyone

GSU – Guerrieri Student Union

Gull Games – a week of competitive games for those who reside in the residence halls

GullNet – where you'll register for classes, view your schedule, make advising appointments, see your housing contract, view your meal plan, purchase parking passes, and view your finances and your major/minor checklists

Gull's Nest – seating outside of Chick-fil-A

Info. Desk – Guerrieri Student Union information desk (first floor)

Involved @ SU – an online portal for all student clubs and organizations

LLC – Living Learning Communities

Maggs – student recreation center and gym

MyClasses – online learning platform to view and submit assignments, view course syllabus, and communicate with professors

Quad – the area that sits in the middle of a cluster of residence halls (Nanticoke, Pocomoke, Wicomico and Manokin)

SAAC – Student-Athlete Advisory Committee

Sammy Sea Gull – SU mascot

Scar/SLC – Scarborough Student Leadership Center

SGA – Student Government Association

Student Activities Fair – showcase of student clubs and organizations

SUPD – Salisbury University Police Department

The Square – the brick area that sits in front of the Guerrieri Academic Commons

The Tunnel – the underground pathway to get to the east part of campus

UFC – University Fitness Center

UP – University Park

Welcome Week – week of fun events to welcome students to campus

**Complete By Friday, August 25*

Continue to monitor your Admissions status portal for items that need to be completed before your arrival.

Salisbury
UNIVERSITY

Make Tomorrow Yours
.....
salisbury.edu/orientation

College of Health and Human Services: salisbury.edu/chhs

SU's College of Health and Human Services develops career-ready students for professional practice and/or advanced studies. Utilizing evidence-based, inter-professional and student-centered strategies, CHHS develops culturally competent, ethically grounded practitioners with comprehensive professional expertise. College faculty, staff and students engage in activities to advance knowledge, serve local communities and promote lifelong learning.

Degree Programs:

- Exercise Science
- Health and Human Performance (graduate only)
- Medical Laboratory Science
- Nursing
- Public Health
- Respiratory Therapy
- Social Work

Fulton School of Liberal Arts: salisbury.edu/fulton

The Fulton School of Liberal Arts plays a vital role in the academic experience of nearly every Salisbury University student. Their unique, vibrant and well-respected educational community offers programs based in the visual and performing arts, the humanities, and the social sciences.

Degree Programs:

- Art
- Communication
- Conflict Analysis and Dispute Resolution
- English
- Environmental Studies
- ESOL
- French
- History
- Interdisciplinary Studies
- International Studies
- Music
- Philosophy
- Political Science
- Psychology
- Sociology
- Spanish
- Theatre

Henson School of Science & Technology: salisbury.edu/henson

Learn to use applied robotics or 3D printing for engineering, GIS for disaster management and mitigation, data analysis to address concerns in health care, sustainability, or security, clean energy alternatives or stem cells to improve and save lives. Put your inquisitive nature and analytical skills to good use and enroll in the Richard A. Henson School of Science and Technology.

Degree Programs:

- Biology
- Biology and Environmental Science Dual Degree Program
- Chemistry
- Computer Science
- Data Science
- Earth Science
- Geography
- Integrated Science
- Mathematics
- Physics
- Physics Dual Degree Engineering Transfer Program
- Urban and Regional Planning

Perdue School of Business: salisbury.edu/perdue

At the Franklin P. Perdue School of Business, you have the opportunity to study at one of the best business schools in the world! The Perdue School has worked diligently to obtain and maintain its accreditation by AACSB International, enabling SU to offer you an outstanding business education. Their academic programs reflect the highest standards of business education with an emphasis on entrepreneurial spirit, teamwork and community-outreach experiences. You will graduate with a leadership drive to succeed and ethically serve business, government and the community.

Degree Programs:

- Accounting
- Business Economics
- Economics
- Finance
- Information Systems
- International Business
- Management
- Marketing

Seidel School of Education: salisbury.edu/seidel

If you're as excited about teaching as the faculty of the Samuel W. and Marilyn C. Seidel School of Education are, just wait until you find out what the future holds for the teaching profession and how you can guide students of your own to discover, learn and grow!

Degree Programs:

- Early Childhood Education
- Elementary Education
- Early Childhood & Elementary Education Dual Certification
- Outdoor Education Leadership
- Physical Education

Teacher Certification Programs:

- Early Childhood (Grades PreK-3)
- Elementary (Grades 1-6)
- Early Childhood and Elementary (Grades PreK-6)

- Grades PreK-12 - available in ESOL (English as a Second Language), Music, Physical Education
- Secondary Education (Grades 7-12) - available in Biology, Chemistry, Earth Science, English, French, History, Mathematics, Physics, Spanish

Clarke Honors College: salisbury.edu/honors

The Clarke Honors College is designed to bring together high-achieving students and dedicated faculty in a small university environment. We offer motivated students who are serious about their intellectual growth a variety of special enhanced classes. We foster close individual contact between students and faculty and bring together talented students from across campus. Honors courses and extracurricular activities are intended to enrich and complement other educational opportunities and programs available to Salisbury University students.

Whatever your major or area of concentration at SU, the honors experience can enhance the value of your degree. Graduating with honors demonstrates to employers and graduate programs that you're the type of person who welcomes challenges and exceeds expectations. Completing the necessary coursework for honors requires sustained effort across many semesters, and the capstone (or thesis) project shows your ability to work independently at a high level. That kind of determination and self-motivation is attractive to recruiters in virtually every field, giving you a competitive edge in the professional world or in applying to graduate programs nationwide.

Academic Success

At Salisbury University, you are surrounded by students, faculty and staff who are here to help you **SUCCEED**. Know the people, places and things that will guide and support you from **Orientation** all the way to **Graduation**.

Contact the Academic Advising Center in Blackwell Hall
or call 410-546-4366

Commuter Connections: It's Worth the Trip!

Do you live on main campus or University Park?

If your answer is "no," then you're a commuter student and we are here to help you!

We are excited to have you joining us, and welcome to SU! We encourage out commuter students to get the most out of the college experience. There are over 100 clubs and organizations at SU, and we're dedicated to helping you find your home here.

SU offers a variety of activities for students to do before, between or after class. The lounges in the Guerrieri Student Union offer billiards, ping pong, arcade machines and more!

Hungry? Stop by Cool Beans Cafe or Chick-fil-A.

We offer off-campus housing services that include resources for finding off-campus housing and navigating living in the community.

Follow us on social media for exciting news, events and giveaways!

Living On Campus

Campus Housing & Residence Life

salisbury.edu/housing

SU is a great place to start your college career, and residence halls are an ideal place to broaden your life experiences. Over 2,200 students live in our residence halls on the main SU campus.

- Housing assignments are based on several factors, including housing contract completion date and Living Learning Community preferences. Housing assignments are sent mid-July (for the fall semester) and mid-January (for the spring semester).
- Salisbury University has a two-year residency requirement for all freshman and sophomore students. Freshman students beginning in the fall semester are required to live on campus for four semesters and students beginning in the spring semester live on campus for three semesters.

POCOMOKE HALL

SEA GULL SQUARE

CHESAPEAKE HALL

DOGWOOD VILLAGE

ST. MARTIN HALL

CHESTER HALL

MANOKIN HALL

SEVERN HALL

CHOCTANK HALL

NANTICOKE HALL

WICOMICO HALL

For more information, contact the Housing and Residence Life Office at 410-543-6040

Move-In

What should I bring?

- Bed and bath items
- Cleaning supplies
- Toiletries
- Keepsakes
- Electronics
- Thermometer
- School supplies
- Kitchen supplies
- Clorox wipes
- Hand sanitizer
- Identification/money
- Face masks
- Gloves

What should I leave at home?

- Animals, lab specimens and/or pets of any kind, with the exception of fish in an aquarium (10 gallon limit) and approved service animals and emotional support animals (approved through Disability Resource Center).
- Wired or wireless routers
- Water beds
- Fireworks or explosives
- Weights or barbells
- Tape, nails, screws or adhesives
- Bean bag chairs
- Microwave ovens, crock pots, toasters, hot plate, electric skillet
- Extension cords
- Weapons
- Hover boards
- Cinder blocks/bricks
- Storage of motorcycles, motorbikes or any gasoline engine
- Outside TV or radio antennas
- Halogen and lava lamps
- Candles/incense

For a complete packing list visit: salisbury.edu/whattobring

Your Residence Hall

We cover all the basics!

All rooms have:

- Beds (extra-long twin)
- Sea Gull Square/Village are full beds
- Dressers
- Study Desks
- Chairs
- Closets

All buildings have:

- Kitchens/Microwave (in some halls)
- Washers and Dryers
- Televisions
- Lounges
- Vending Machines

One of the best ways to prepare is to connect with your roommate before you begin to pack. By coordinating with your roommate, you can make a plan of what you need to bring.

Your bed

Your mattress will be a twin, extra-long and measures 36 x 80 inches. The size sheets you'll need to bring is twin extra-long (twin XL).

All halls on the main campus, with the exception of Dogwood Village, have the loftable bed system. The bed can either be lofted all the way up or down, depending on student preference. To loft your bed, please submit a request to one of the Housing and Residence Life staff members.

To view more photos of each residence hall go to: salisbury.edu/housing

Getting Your Mail

Each student living on campus is assigned their own mailbox at the SU Post Office located in the bottom level of the (Dining) Commons. Each mailbox has a combination lock, which is issued at the beginning of the semester. Mail is delivered and sorted into student mailboxes at 8 a.m. and noon, Monday-Friday. When you receive a package, you will receive a notification via email. You'll be able to pick up your package at the service window using your GullCard.

The campus post office is open from 8 a.m.-4:30 p.m., Monday-Friday. Lobby access to your mailbox remains open until 9 p.m.

Your campus mailing address will be:

Your Full Name
Campus Box XXXX
1101 Camden Ave.
Salisbury, MD 21801-6860

Gull Card

The Gull Card is a multi-functional card that serves as your official Salisbury University ID. Not only is it your key to door access, it is necessary for accessing services in residence halls, University Dining locations, the Guerrieri Academic Commons, Maggs Physical Activities Center, computer labs, the University Fitness Center and other services. Your Gull Card also may be used as a debit card with a prepaid declining balance that enables you to make purchases at both on-campus and off-campus locations.

Lost or Stolen Gull Card

If lost or stolen:

- Put a hold on it via the Gull Card website
- Call the Gull Card Office 410-543-6085
- Call University Police 410-543-6222

To replace:

- Visit the Gull Card Office in the SU Bookstore - lower level of the Commons dining hall
- Pay the \$25 replacement fee

To learn more - including how to add money to your Gull Card, visit:
gullcard.salisbury.edu

HOURS

- **Fall & Spring Semester Hours:**
8:30 a.m.-6 p.m. (M-Th)
8:30 a.m.-4 p.m. (F)
- **Summer Hours:**
8:30 a.m.-4 p.m. (M-F)
- Extended hours during the first week of school.

BOOKSTORE DEPARTMENTS

- **School & Art Supplies**
We carry all REQUIRED supplies for every class (including blue books, clay, charcoal, specialty papers, etc.)
- **Clothing & Gifts**
Find all imprinted SU clothing and gifts.
- **Computer**
Our technician repairs computers and helps with software/hardware issue for a nominal fee.
Visit our website for computer bundles. Payment plans available.

COURSE MATERIALS

Used Textbooks

- Used textbooks can save you 25% or more.
- Nearly half of the books the SU Bookstore carries are used books.
- Used textbooks can be sold at end-of-semester buyback.

eBOOKS

eBooks are available for selected titles. Students download an eBook directly to their computer or eReader. Typically, these downloads are good anywhere from six months to one year, and some are a lifetime subscription.

Rentals

- Selected book titles are available for rent. Savings on rental books comes upfront; however, students cannot take advantage of end-of-semester buyback.
- If you are interested in RENTING any textbooks, you will need to create an account before adding any books to your shopping cart - please note that your Customer # is your Student ID #.

Inclusive Access

Courses with inclusive access are digital course materials that are accessible directly through MY CLASSES and are billed directly to the student account.

ORDER ONLINE!

- Visit the SU Bookstore website: bookstore.salisbury.edu
- Plug in your class schedule to see the materials required for your classes.
- Choose your materials (new, used, rental or ebooks).
- Fill in payment information and check out.

- The Bookstore will pack and hold the order for you to pick up at the beginning of the semester or you can have your order shipped to your home.
- Pick-up orders will be available once processed and we will notify you when it is ready for pick up.
- Save receipts from your purchase for returns and exchanges.

PAYMENT OPTIONS

- In Store: Cash, Credit Card or Gull Card
- Online: Credit Card or Gift Card

BOOK BUYBACK

The Bookstore offers daily buyback and end-of-semester buyback.

- Sell your textbooks to us for cash!
- We buy back books for the store for the upcoming term and for national wholesalers. The prices paid are fair market value and are set by the wholesaler.

Family members can sign up for the Salisbury University Family Experience. The Salisbury University Family Experience portal and email newsletter allow parents and family members to stay informed about SU happenings, news, events and information. With an easy-to-use platform, parents and family members can quickly have access to hundreds of articles about Salisbury University's campus. Account holders have the option to opt-in to weekly, bi-weekly or monthly emails.

To sign up visit:
salisbury.campusesp.com

Please Note: The Family Education Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. To learn more about FERPA and how it impacts you, visit: www.salisbury.edu/administration/academic-affairs/registrar/ferpa-family.aspx

TRANSPORTATION

Students without a vehicle can take advantage of Shore Transit, the local bus service that stops near campus numerous times throughout the day. It provides access to shopping and restaurants, as well as further points such as West Ocean City and University of Maryland Eastern Shore (UMES). If students are looking to travel distances, there are a variety of options:

Bay Runner Shuttle

This service offers transportation between Salisbury and Baltimore-Washington International Airport and Baltimore hubs (east and west). Check website for locations. Rates start at \$73 one way, including one small bag and two large bags. Shuttles leave from 547 Riverside Drive and can be reached at 410-912-6000 to schedule service. www.bayrunnershuttle.com

Greyhound

Greyhound offers long-distance bus service from Salisbury. Its terminal is located at 31901 Tri County Way. Visit Greyhound Bus Service's website or call 410-677-3017 for schedules, prices and tickets.

American Airlines

This service offers a long-distance bus American Airlines provides regional commuter service from Salisbury Regional Airport to Philadelphia and Charlotte, NC. Visit American Airlines' website or call 1-800-428-4322 for schedules, prices and tickets.

Salisbury Taxi

Salisbury Taxi serves SU and the community 24 hours a day. Students receive a special discounted rate of \$16 to the Salisbury Regional Airport. Call 410-742-6666 to schedule your ride.

TRIO Student Support Services Program

Salisbury University's TRIO Student Support Services (TRIO Program) is an educational opportunity project sponsored by the U.S. Department of Education that helps first-generation students, students with financial need and students with disabilities achieve their academic potential, professional dreams and personal goals. The TRIO Program acts as an advocate for qualified students, plans and coordinates their services, and provides support programs that help them develop academic, interpersonal and social skills they need for success at the University and beyond. The TRIO staff and Student Ambassadors, as well as other offices across campus, help students reach their academic goals and maximize their potential for success at Salisbury University.

Family Educational Rights and Privacy Act (FERPA)

FERPA is designed to protect the confidentiality of education records and to give students access to their records to assure the accuracy of their contents. The act affords students certain rights with respect to their education records. Students who want more or less than directory information to be released without prior notification or consent should notify the Registrar. SU does not sell or otherwise provide mailing lists of student information to anyone outside of the University. The Registrar is responsible for compiling and maintaining directory information. salisbury.edu/registrar

COUNSELING CENTER

The Counseling Center offers confidential services and programs that enable student to thrive during their time at the University. In addition to services provided in person, all students have 24/7 access to TimelyCare telehealth counseling services.

Students can download the TimelyCare app on a smart phone or connect through the website: timelycare.com/Salisbury

For the most up to date information on services please check our website at salisbury.edu/counseling.

Guerrieri Student Union, 263
410-543-6070
Counseling@salisbury.edu

DISABILITY RESOURCE CENTER

The Disability Resource Center (DRC) provides guidance, access to resources, accommodations/modifications and services to students with documented disabilities enrolled in Salisbury University's undergraduate, graduate or satellite programs. Such disabilities include, but are not limited to, learning, physical/mobility, vision, hearing, chronic health and mental health diagnoses. The DRC also works with students with some temporary impairments, as appropriate.

Guerrieri Student Union 229
410-543-6087

Requesting Accommodations/ Registering with the DRC

Through an interactive process, DRC staff meet with each student individually to discuss their request for accommodations/services, strengths, challenges and the likely impact of their disability on their educational experiences at SU. While students can register with the DRC at any time, incoming first-year and transfer students are encouraged to register the semester prior to their first semester at SU.

How to Request Academic Accommodations

1. After completing the general admission process (including acceptance and committing to Salisbury University through deposit). Complete and submit the online app

DRC Student Application (<https://olympic.accessiblelearning.com/Salisbury/>)

2. Submit documentation of a disability. Students are strongly encouraged to upload their disability documentation while completing their DRC Student Application. Providers may also complete the DRC Medical Documentation Form (in lieu of a letter), if desired.
3. A DRC staff member will contact you to schedule your Initial Intake Appointment to discuss your request for accommodations/services. Please be aware that this is a REQUIRED appointment, as the information obtained is an essential component in the determination of reasonable accommodations.

Preparing for Your Initial Intake Appointment

The initial intake is a 60-minute interactive dialogue with DRC staff to discuss your request for accommodations/services and to provide an overview of the services available to you through the DRC and other campus partners. The goal of the initial intake is to gather the information necessary to ensure equal access through the determination of reasonable accommodations and services.

Discussing Your Disability

Please come to the initial intake appointment prepared to discuss your disability. The more you can tell us about your disability, the better we will understand your specific needs. Please be prepared to answer the following questions:

- How does your disability impact you in the learning environment? Think of the following situations:
- Classroom (lecture, note taking, group work, lab work, physical activity, sitting)
- Tests and exams (multiple choice, timed tests)
- Communication (listening, speaking, writing, using email)
- Assignments (presentations, reading, writing)
- Campus (mobility, orientation/navigation)

- What accommodations have you used in the past? How have they helped you?
- What accommodations do you think you will need in college?

Documentation of Disability

Documentation of disability is necessary in order to verify your disability and determine appropriate accommodations. We highly encourage students to submit documentation of disability prior to their scheduled initial intake appointment. In general, documentation of your disability should:

- Include your specific diagnosis/medical condition(s)
- Include a history of disability-related services at another educational institution, such as an IEP, 504 Plan or accommodation plan from another college
- Be written by a professional qualified to diagnose or treat your disability

Documentation is needed to provide a clear picture of how your disability will impact you in the college setting in order to determine appropriate services and accommodations you will need at SU. We understand that not all documentation will contain all of these elements; however, the more information we have, the better we will be able to determine the accommodations and services you need at the college level.

For questions, please contact the DRC.

DRC Services/Programs

The DRC offers a variety of services to and for students with disabilities on campus, including, but not limited to, academic skill building sessions, assistive technology training, alternative textbooks and course materials, peer mentoring, voter registration assistance, disability awareness training, and advocacy support. We also provide guidance to prospective students and families on the process of request accommodations, differences between high school and college accommodations/laws, documentation requirements, etc.

STUDENT HEALTH SERVICES

The Student Health Services offers a variety of services by appointment with licensed healthcare providers including:

- Physicals
- Immunization and Tuberculosis Screening
- STD Testing and Treatment
- Laboratory Draws
- Mono, Strep, Influenza and COVID-19 testing
- Treatment for Cold/Flu & Respiratory Infections
- Gastrointestinal/Digestive Issues (vomiting, diarrhea)
- Oral Contraceptives
- Depo-Provera Shots
- Emergency Contraception - Plan B, Ella
- GYN/Pap Tests
- Pregnancy Testing
- Anxiety/Depression

New Student Requirements

All students are required to submit health information and proof of immunizations for the following:

- Meningitis (meningococcal vaccine) is required for on campus students only.
- Measles, Mumps, Rubella (MMR)
- Tetanus-Diphtheria-Pertussis (TDap)
- Tuberculosis Screening

Visit the Student Health Services website for instructions:

Salisbury
UNIVERSITY

Parking

All students must purchase a parking permit if they are bringing a car to campus. Permits are valid for the academic year, August 28, 2023 - August 24, 2024.

Permits are available to purchase based on credit hours via the schedule below and are not pro-rated if purchased later in the year.

- 5/30/23 - Undergraduate students with 90 or more credit hours; Graduate students; Freshmen; East Campus-only parking; Evening-only students
- 6/6/23 - Undergraduate students with 60 credits or more
- 6/13/23 - Undergraduate students with 30 credits or more

To purchase a permit, log in to GullNet > External Links Tile > Parking Services Portal > Salisbury Login (use the GullNet username and password). The permits that a student qualifies for will be listed to choose from if they log in during the assigned timeframe based on their credit hours effective May 27, 2022.

Salisbury University uses a License Plate Reader (LPR) system for permits and enforcement. Please make sure the vehicle information (year, make, model, color and license plate) are accurate when purchasing the permit, as the license plate is the permit and no physical permits are handed out. If the vehicle information changes after the purchase of the permit, students need to update the vehicle information as soon as possible through the Parking Portal to avoid possible citations.

For more information, contact Parking Services at 410-543-6338 or: salisbury.edu/parking

Paying Your Bill

Online Payments, Tuition Payment Plans, Electronic Bills and Refunds can be found on the SU/BankMobile Student Account Page

Types of payment accepted via mail: check and money order. The University does not accept credit card transactions at the Cashiers Office or through the mail.

Types of payment accepted via E-Payment (via GullNet or through the Ebilling Website): Visa, MasterCard, Discover, ACH Transfer.

Credit/debit card transactions have a convenience fee of 2.85%.

NOTE: SU generates electronic billing statements for all students once a month. SU does not mail paper bills. If changes have been made since the electronic bill was generated, please review your account using GullNet. Billing statements will be generated around the middle of July for pre-registered students. Email notifications are sent to your SU email once billing statements are available to view. Parents/guardians can also receive email notifications by adding them as an Authorized User. For questions, contact the Cashiers Office at 410-543-6060 or visit:

Salisbury.edu/cashiers

Payment Plans

Salisbury University has partnered with CashNet to offer payment plans. All of the payment plans are interest-free, debt-free ways to spread tuition payments over a number of months.

To enroll in one of our payment plans:

- Log in to GullNet
- Follow: Main Menu>Bill/ Payments/PayPlans/Refund

This will bring you to the CashNet account page; payment plans are on the right side. Click the payment plan to enroll.

Refunds

Salisbury University has partnered with BankMobile Disbursements, a division of Customers Bank, to disburse all student refunds. For more information about BankMobile, visit the BankMobile Refund Choices Website.

Authorized Users

Students can invite anyone to have access to their student account (make payments, view electronic bills, tuition payment plans, email notifications, and text messages). To invite your parent or other persons as authorized users:

- Sign in to GullNet
- Go to Main Menu>Bills/Payments/ PayPlans/Refund
- Under "Authorized Users" select "Add New" and fill out the information requested
- The authorized user will receive an email with a temporary password and link
- Use the following link in the browser address bar and add to favorites:
https://commerce.cashnet.com/cashneta/SelfServe/eBillLogin.aspx?client=SALISBURY_PROD
- Authorized users will click the link and enter their username and temporary password, then create a new password and security question - once completed, users will be directed to the student account

For assistance with your installment payment plan, please contact CashNet at 1-877-821-0625.

For other assistance, please contact SU's Cashiers Office at 410-543-6060.

Office of Financial Aid & Scholarships

Financing your education is one of the most important life decisions you and your family face. Investing in a college education is often a major financial decision requiring many students to look beyond their own limited resources for assistance. The Office of Financial Aid and Scholarships is prepared to assist you in the process of securing the resources necessary to afford your college education.

The SU Office of Financial Aid and Scholarships is committed to providing excellent customer service, timely delivery of information and sensitivity to individual financial concerns. They act as your financial aid resource and information center, and aim to help students achieve their educational goals.

HOW TO START YOUR FINANCIAL AID JOURNEY

- Complete the FAFSA every year on studentaid.gov or using the MyStudentAid app! The FAFSA opens every October 1 for the next academic year (i.e., October 1, 2022, the FAFSA opened for the fall 2023 - spring 2024 academic year). Many families mistakenly think they don't qualify for aid and prevent themselves from receiving financial aid by failing to apply for it. In addition, there are a few sources of aid such as unsubsidized Stafford and PLUS loans that are available regardless of need but require a FAFSA for us to offer them as an option. The FAFSA form is free, so no matter your income we encourage all students and families to complete the FAFSA.
- Estimate how much income your family can set aside every month and then multiply that amount by 48 months (i.e., a four-year degree). Set those funds aside in your budget or take a look at Maryland 529 or other state tax-advantaged savings plans designed to encourage saving for college.
- Explore scholarships - SU and outside (community) based scholarships are available.

TUITION, FEES, NET PRICE & FINANCIAL AID

salisbury.edu/afford-college/tuition-and-fees

SU encourages all prospective students and their families to evaluate our net price and to not focus on the overall official cost of attendance/budget, which is also referred to as the "sticker price." The net price reflects a more accurate out-of-pocket cost after removing grants, scholarships and other educational benefits from the "sticker" price.

In reviewing your financial aid package versus our estimated costs, it's critical to determine what costs you may need to finance using available financial aid options and what costs you may be able to cover out-of-pocket. Many students and their families are mainly looking for ways to cover the "big ticket items," which we refer to as "direct costs" - including tuition and mandatory fees, housing, and meals - while taking care of additional costs, referred to as "indirect costs/expenses," such as books/supplies, miscellaneous fees (i.e., parking pass) and transportation costs (i.e., gas) out of pocket. Families may find that when they break down the cost, taking into consideration SU bills by semester, that once financial aid has been applied they can satisfy the remaining bill through additional financial resources or by utilizing the semester-based payment plan option offered through the SU Cashiers Office.

TYPES OF AID

salisbury.edu/afford-college/types-of-aid

SU students mainly receive funds for college in the form of grants, loans, work-study and/or scholarships. Awards are typically based on financial need, academic ability or both.

GRANTS: Grants are free money or gift aid given to you to finance your education. They can come from the federal or state government, from SU or from private sources and they don't have to be repaid. Examples of these include, but are not limited to, Federal Pell Grant, Federal SEOG, EA Grant (Maryland resident), GA Grant (Maryland resident), SU Fund, TEACH, Sea Gull Pell Promise and the CAMP Grant.

LOANS: Loans are funds that have to be repaid to the lender - and many do not require full payment to begin until the student graduates or ceases to be enrolled at least half-time during a standard semester. If scholarships and grants don't cover the cost of your education, a loan from the federal government (federal student or parent PLUS loan) or a private education loan through a bank/credit union may be an option to consider. Generally speaking, federal student loans include many benefits (such as low, fixed interest rates and income-driven repayment plans) not typically offered with private loans.

FEDERAL WORK STUDY: The Federal Work Study (FWS) program allows eligible students to earn paychecks to help support their educational expenses by getting part-time jobs (up to 10-15 hours/week) with Salisbury University offices and departments. This program helps create job opportunities for FWS students by using federal funding to pay their wages. FWS funds are limited and require financial need from FAFSA. If your financial aid award notification includes a FWS award, then you are eligible to pursue FWS jobs. Your total earnings cannot exceed your FWS award amount, and your actual earnings will depend on the number of hours you work and your hourly wage (minimum wage or above).

SCHOLARSHIPS: A scholarship is gift aid given to you to help fund your education. Many scholarships awarded come from Salisbury University and the SU Foundation's endowments with unique eligibility and scholarship renewal requirements. There are also many scholarships available to you through other, external, organizations. A scholarship could be awarded for just one semester, an academic year or sometimes they may be multi-year. Scholarship money does not typically have to be repaid, but there are some scholarships that may require a minimum grade point average, a

particular major or minor, or even the completion of a service obligation as part of their awarding requirements. It is important to read all initial award and renewal requirements available from the scholarship grantor. Maryland residents should review scholarships offered by Maryland Higher Education Commission (mhec.maryland.gov) to determine if they meet any of the eligibility requirements and deadline dates.

SU SCHOLARSHIPS

salisbury.academicworks.com

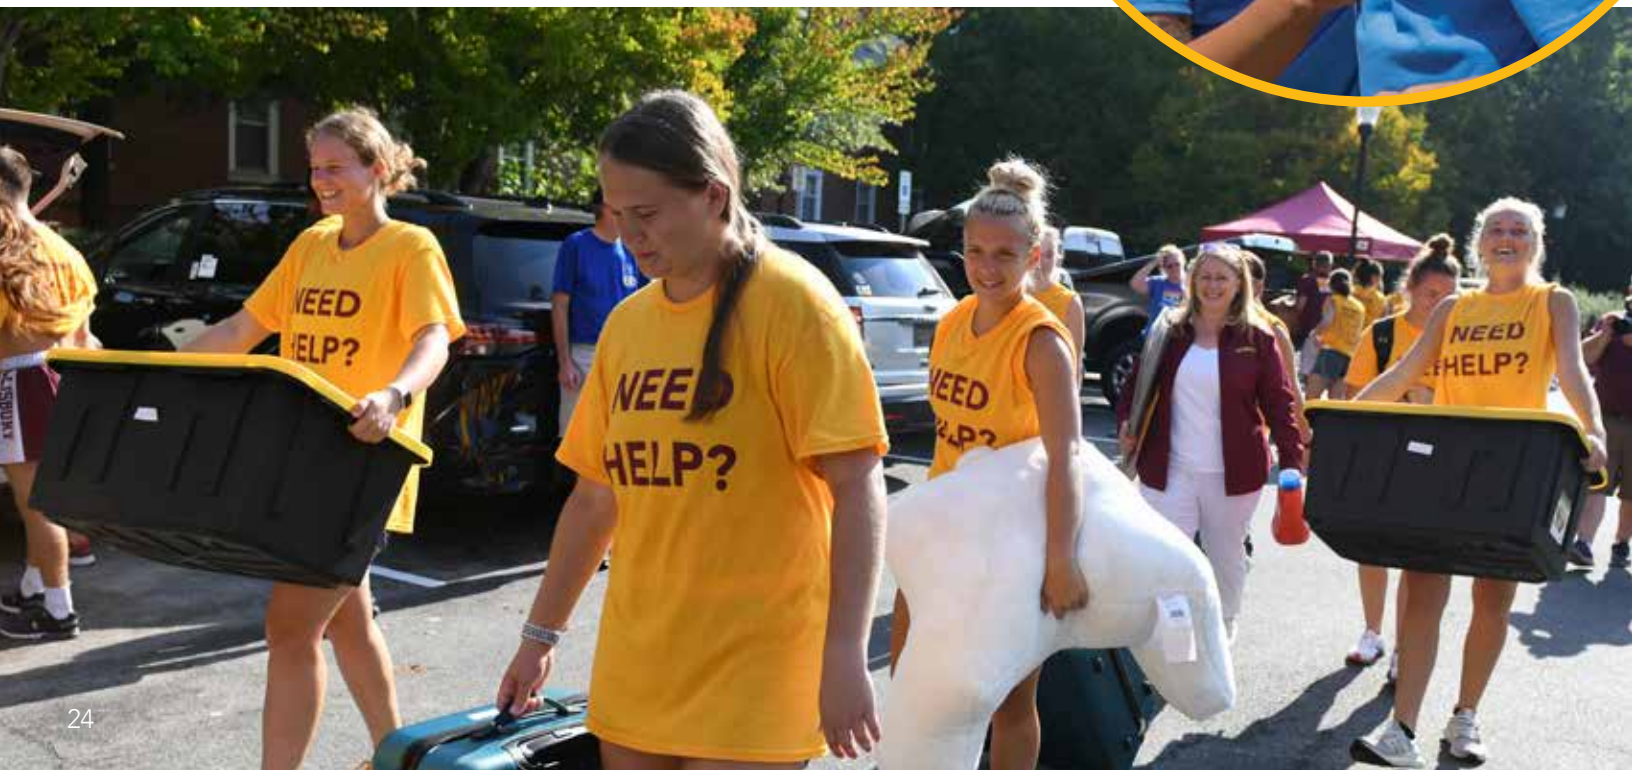

The University offered more than a \$1.3 million dollars in scholarships to SU students last year. These scholarships may be applied for annually through SU's Scholarship website, AcademicWorks, and are funded through generous contributions from alumni, faculty and staff, friends, parents, campus organizations, and other affiliates.

Please keep in mind that SU's Academic Merit Scholarships,

Good Neighbor undergraduate scholarship and SU Fund (need-based grant for incoming students) are some of the aid determined via your SU admissions application and/or FAFSA.

The fall 2023-spring 2024 scholarship application process opened on December 1, 2022. Deadline dates for scholarships vary; check the website for details. Don't forget, you are required to complete a new general application every year!

Additional information is available at: salisbury.edu/finaid

SUMMER EXPERIENCE PROGRAMS

Making friends and feeling connected are what the Summer Experience Programs are all about. Have a **once-in-a-lifetime experience** with a small group of your new classmates, student peer leaders and faculty/staff mentors.

Bike, Beach & Beyond (July 14-18) \$390

Explore Salisbury on short bike rides, complete a service project enjoy a day at the beach through an on-campus transition experience - all with your peers

Develop academic and interpersonal relationships through SU's TRIO program

DRC STARS Program (August 21-23) \$100

Embrace disability as a dimension of diversity and learn about all the services SU offers

Secrets of Salisbury (Saturday, August 27) \$10

Explore hidden treasures at SU and in the City of Salisbury by "reading" and "mentally mapping" discoveries

Getting Involved

Make the most of your time at SU

There are many ways to make SU your new home, whether you live on campus or in the community. Varsity sports, intramurals, fraternities, sororities, and student clubs and organizations provide great opportunities for developing strong minds and bodies, building lifelong friendships, discovering and fostering leadership skills, and connecting your classroom knowledge with real life experience.

SU Athletics

Varsity Sports

By now you've probably been in touch with a coach for your sport. If not, be sure to visit the Athletics website at www.suseagulls.com and select for the menu: Prospective Student-Athletes.

Fraternity and Sorority Life

Salisbury University fraternities and sororities are rich in history and tradition. They are dedicated to the betterment of the community and strive for excellence in all aspects of fraternal life. Campus chapters are committed to the fulfillment of their core values: citizenship, membership, leadership and scholarship. The following chapters are recognized:

Panhellenic Council

- Alpha Sigma Tau
- Delta Gamma
- Phi Mu
- Zeta Tau Alpha

Multicultural Greek Council

- Lambda Theta Alpha Latin Sorority, Inc.

Interfraternity Council

- Alpha Sigma Phi
- Kappa Sigma
- Pi Lambda Phi
- Sigma Alpha Epsilon
- Sigma Phi Epsilon
- Sigma Pi
- Sigma Tau Gamma

National Pan-Hellenic Council

- Alpha Phi Alpha Fraternity, Inc.
- Alpha Kappa Alpha Sorority, Inc.
- Kappa Alpha Psi Fraternity, Inc.
- Omega Psi Phi Fraternity, Inc.
- Delta Sigma Theta Sorority, Inc.
- Phi Beta Sigma Fraternity, Inc.

Leadership Programs

CSIL is committed to providing multiple opportunities for students to learn and develop skills as leaders. From emerging to seasoned leaders, CSIL has the program for you. Development through retreats, summits and sessions will be offered throughout the year.

Sea Gulls Who Soar

CSIL proudly recognizes students who are nominated for their outstanding commitment to the campus and community each month. Look for a nomination request in your campus email.

Campus Recreation

Excite, Encourage, Engage

There are many ways to get active, excited and engaged at SU, whether you live on campus or in the community. Club Sports, Intramurals and our Campus Recreation facilities provide great opportunities for developing strong minds and bodies, building lifelong friendships, and discovering and fostering leadership skills.

CLUB SPORTS

Want to still compete in your favorite sport, but not at the commitment level of a varsity sport? Club sports are the answer! Practice two to three times a week, with a few games on the weekends. Our student-run clubs include rugby, lacrosse, soccer, equestrian, Ultimate Frisbee and more! Check out the "Club Sports" directory on the SU website.

INDOOR/OUTDOOR TENNIS CENTER

Did you know SU offers FREE court time to all students on and off campus? Our brand-new outdoor tennis facility on Bateman Street is home to our women's and men's tennis teams, with 12 outdoor hard courts, six of which are lighted for evening play. Weather isn't great? Have no fear – book a free reservation on one of our three courts in our indoor tennis facility on Milford Street. Just call 410-543-6248 to get started.

UNIVERSITY FITNESS CLUB

Live off campus? Enjoy group fitness classes? The UFC is your answer! Check out our exclusive (and free) club on Milford Street, right next to the Indoor Tennis Center. The UFC features a weight room, group fitness classes, cardio equipment and racquetball courts. You even have access to saunas, a full locker room and showers.

MAGGS PHYSICAL ACTIVITIES CENTER

Maggs is the hub of Campus Recreation. Head to the separate strength room with benches and weights, or the fitness room fully stocked with cardio equipment! Maggs provides a variety of equipment you can check out to use in the main or auxiliary gyms, including basketballs, footballs, soccer balls, jump ropes and racquetball items. Reserve a space in one of three racquetball courts or head to the open rock wall hours to get your climb on. More information can be found on SU's website.

AQUATICS

Maggs Physical Activities Center is home to SU's Natatorium, and students have access to free, open swim! The Maggs Natatorium features a six-lane, 25-meter-long pool, also home to SU's women's and men's varsity swimming teams. Check out the Aquatics hours for open swim on SU's website.

Intramural Sports

The Intramural Sports Office offers a unique opportunity for all members of the SU community to participate together in sport leagues and tournaments! You don't have to be an athlete to play; these recreational activities are for everyone and are a great way to incorporate sports into your schedule, have fun and meet new people!

TEAM SPORTS

The easiest way to get involved in team sports is to form a team on your own with a couple friends, perhaps the hall of your residence hall or the neighbors in your apartment complex. Student organizations such as fraternities and sororities as well as other campus groups often put together teams. Ask your organization at its next group meeting if anyone is interested.

ARE YOU A FREE AGENT!?

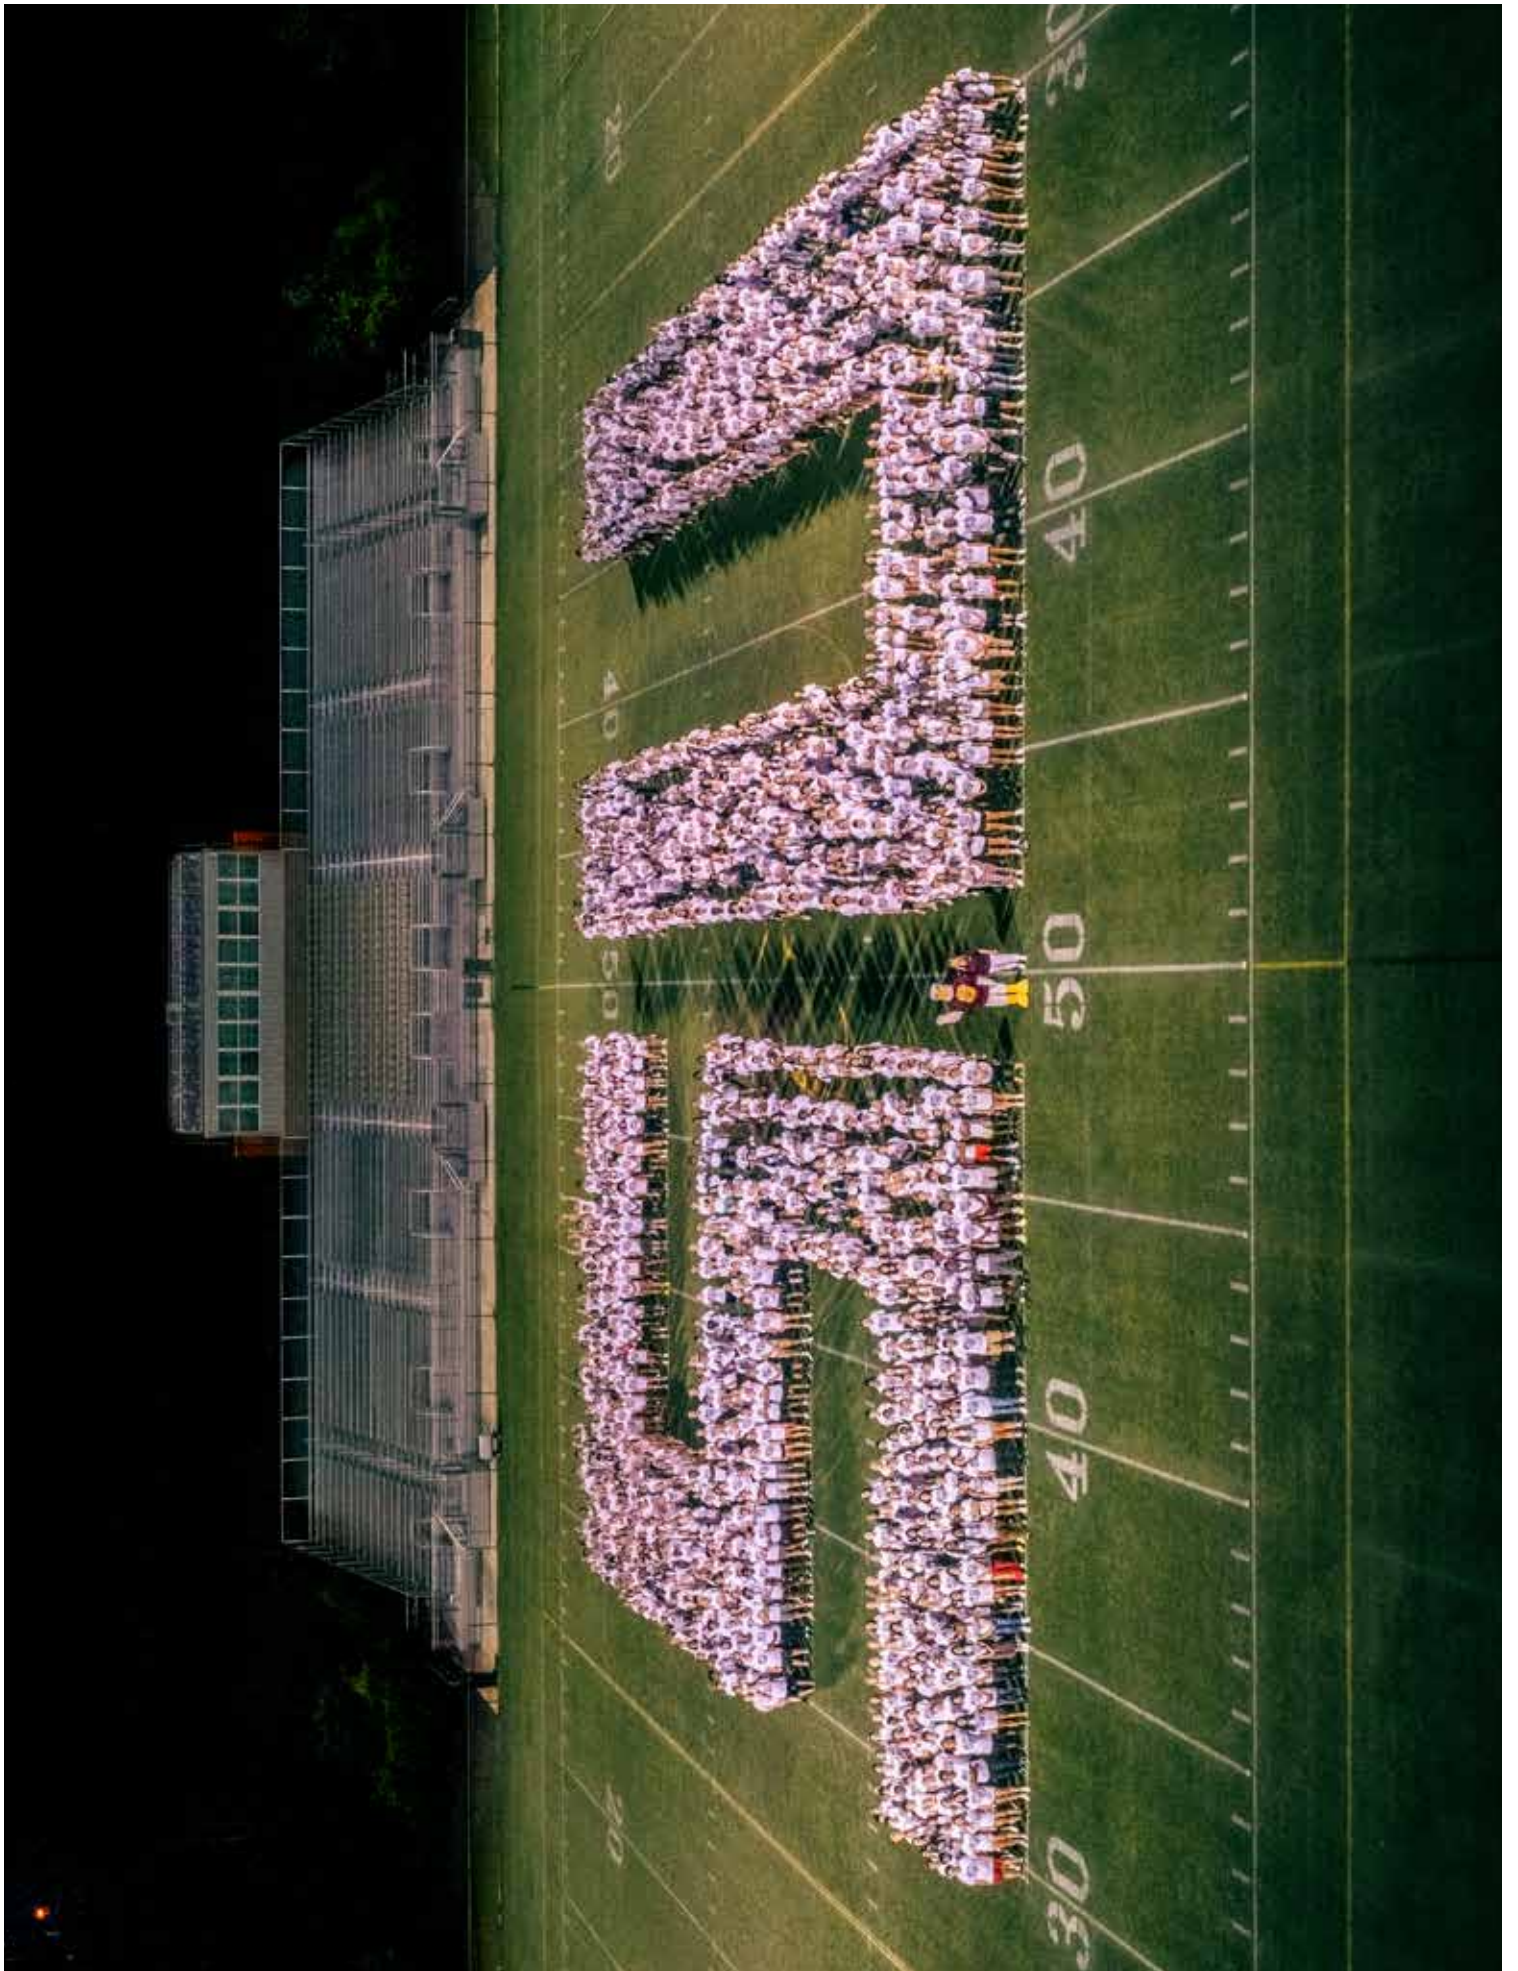

IMLeagues allows you to see each team that is signed up and each student's SU email. This allows you to reach out, introduce yourself and meet new people with similar interests. Any difficulties? Reach out to the Intramural Sports Office and they can find a spot for you. Register/log in using your SU email: IMLeagues.com/Salisbury

INTERESTED IN ROCK CLIMBING?

Campus Recreation provides a unique rock wall experience! No experience is needed, as trained staff are ready to help you reach your goals. No equipment? No problem, as we have state-of-the-art equipment ready for your visit. Follow on Instagram for updated hours.

 @SUIntramuralSport
